Capability Statement

OnPointe Alliance LLC., a **Woman-owned small business**, was founded in 2017. OPA is Certified and Insured. As a specialty provider of Identity Solution Services, we are committed to providing quality, professional, and accurate services to our Corporate, Government, Community and Not for Profit Organization Partners. Our office is clean, conveniently located with free and security monitored parking. Our mobile service is a value-added service that enables our partners to meet their maximum production.

Differentiators:

- Our office offers a safe and sanitized workspace in accordance with the CDC, State and Local guidelines. We are willing to meet any specific safety measures, within our means, requested from our clients.
- We provide solutions to help you quickly get your associates and/or applicants screened without stress, delay, or wasted resources by providing convenient locations, Online Services and Mobile services.
- We have established outreach programs to educate and strengthen communities by providing families with the necessary tools to enhance their lives.
- The integrity of our services is governed by each staff receiving advanced training. We are a Learning Center where we train and certify individuals to be come Fingerprinting Technicians.
- We have a proven reputation for high quality, efficiency, accuracy, and excellence.

Core Competencies:

- Ink Card Fingerprinting (FD-258 & SF 87)
- Live Scan Fingerprinting (FBI & FDLE)
- Notary
- Signing Agent
- Pre-Employment Background Screening
- Tenant Background Screening
